**March 23 ATA PD Day** - Dedicated to individual teacher self-directed professional development.

**September 15<sup>th</sup> School based PD Day (pm only)**

**School: École Corinthia Park School**

PD Goal:

Teachers will use the PowerTeacher Pro assessment and reporting tool, as a means to record student academic progress across all subject areas.

What data are you using to focus on this goal?

Many Black Gold Schools have shifted from the traditional paper method of reporting to parents, to the on-line, PowerTeacher Pro reporting tool. This program will allow teachers to publish marks and comments into the program, in order for parents to access academic information regarding their child(ren).

PD Activit(y)ies:

Teachers will be trained on how to set-up and use the PowerTeacher Pro grade books reporting program. This program will replace our previous reporting system (paper report cards).

Teachers will:

- Set-up their PowerTeacher Pro accounts using grade specific outcomes (ECS & Grade 1-6)
- Set-up descriptors and/or percentage allotments for core courses (Grades 4-6)
- Become familiar on how to implement the program using checklist , anecdotal, comments and percentage rankings.

Division Alignment:

- Assessment
- FMNI
- Numeracy and Literacy
- Parental communication / engagement
- Safe and caring environment
- Student achievement
- Teacher efficacy
- Wellness

Success Indicators:

Teachers will be confident in using the PowerTeacher Pro program, and parents will be able to access their child's progress as needed.
